

Masquerade Craftsmanship Judging Form

In order to participate in the craftsmanship award category, you must make an appointment to be judged *prior* to your Masquerade performance. The craftsmanship awards are based on the design, construction, execution, and general presentation of your costume/costumes.

Each person must fill out this form, even if you are in a group.

The Judges would prefer that each competitor bring at least one color picture, preferably two, of each character the costume entries represent.

Have you ever worn this costume to a previous convention? Yes No

What were those awards? _____

How many conventions have you participated in a costume competition? _____

Please note that costumes purchased or rented from a costume shop, designer direct, eBay, Yahoo Auctions, Yahoo Japan Auctions, Cospa, or other Japanese or American store-bought costumes are prohibited and will negate your eligibility (and your group's eligibility, even if only one person in the group has disqualified costume) for a performance and/or craftsmanship prize. There are two notable exceptions, please see below:

- **Exception 1:** "Found Item" costumes, or costumes that were built by collecting various appropriate pieces from normal clothing stores and combining them together (with or without sewing) to make a costume is allowed.
- **Exception 2:** If the participant is in the 12 & Under class, we completely understand if Mom and/or Dad made the costume. However, we would appreciate that Mom and/or Dad be present at the Masquerade to answer questions and to supervise the participant.

I understand the above and agree that I created this costume myself or as part of a group effort. I agree that neither I nor anyone else has worn this costume in any previous FanimeCon costume contest.
